Store welcomes all cyclists as it strives to be 'community's bike shop'

It seems simple, but what The Bike Haven, located at 2758, Unit 406 on Race Track Road in St. Johns, strives to do is offer up a business model where the passion for bikes and cycling is evident.

That might seem obvious, as a place that specializes in knowing bicycles, but according to owner Josh Arnow it is what he believes separates The Bike Haven from the rest of the bike shops.

"The Bike Haven sets itself aside from others with our superior customer service," Arnow said. "With our years of knowledge in the industry we are able to provide you with the best service and a great value through competitive pricing and quality products."

The passion he shares about bikes is something he seeks when hiring employees, as he understands that riding bikes means so much more than just getting from one place to another for a lot of people.

"We believe that bikes offer a sensible solution to many of our communities' complex problems," Arnow said. "Bikes are great for your personal health and for the health of our environment. Cycling can help you save money on transportation and a bike ride with your family and/ or friends can provide you with endless miles of fun."

Arnow prides himself in the fact that riders of all ages and levels of experience can come into The Bike Haven and feel right at home.

"We live here, and our kids go to school here," Arnow said. "We just want to be the community's bike shop."

The Bike Haven was established in 1959 but has been owned by Arnow since 2011, after he bought it from a friend's grandfather. The St. Johns location opened earlier in the month and joins two other locations in Illinois.

No matter what style of riding the cyclist prefers, whether they prefer pavement or are off-road and mountain aficionados, The Bike Haven prides itself in being able to figure out the best way to help with that rider's needs.

A staff of three employees are usually on hand to assist customers. The small staff allows for The Bike Haven to foster a

personable environment.

According to Arnow, producing a comfortable atmosphere helps ensure that the customer makes the correct bike choice.

"We are here to help you make the best possible choice for you and your family," Arnow said. "We are professional fitters and want you to feel no pressure while making the right decision for you. We're dedicated to helping you find the perfect bicycle for your riding style. We carry a wide selection of bikes and cycling gear for beginners and experts alike."

However, The Bike Haven offers more than just an array of bike makes and

models, but they also offer service to bikes to repair and check out any issues a rider may be experiencing.

"The Bike Haven is a place to hang out, feel comfortable and talk bikes," Arnow said. "We built the shop space out to feel like a bike bar, so grab a stool to sit, enjoy conversation and watch 'the wrench' working on bikes at our service counter as we take a look at your bicycle or talk shop."

Fieri explores the Pacific Northwest on 'Guy's All-American Road Trip'

For those who like to travel on their stomachs, there is "Guy's All-American Road Trip."

Premiering Friday, June 3, on Food Network, the four-episode series follows chef Guy Fieri ("Diners, Drive-Ins and Dives"), wife Lori and sons Hunter and Ryder as they hit the road in an RV to head up the U.S. West Coast from Northern California to Washington in search of adventures culinary and otherwise.

Joined by five other families, the group make stops in Crescent City, Calif., to milk cows; Gold Beach, Ore., for a 64-mile jet boat excursion; Florence, Ore., to go for a ride in the sand dunes of Honeyman State Park; and Leavenworth, Wash., to check out a Bavarian village and go ziplining. Along the way, they sample the local cuisine, which range from Dungeness crab and fried chicken to homemade pork eggrolls, milkshakes and gingerbread.

The trip culminates with a visit to Jim Belushi's Oregon family farm for a dinner of Albanian dishes and American favorites such as pizza and ribs.

It's a feast for the senses, one that might even make you want to buy an RV of your own and embark on your own foodie road trip. It's also one of a few noteworthy entries

on the Food Network/Cooking Channel slate this week.

Andrew Zimmern always has a case of the wanderlust as he demonstrates each week on his Cooking Channel series "Bizarre Foods: Delicious Destinations." And in the episode airing Sunday, May 29, he finds a number of delicacies to his liking when he lands in Milan, Italy, a city whose refined cuisine has earned a place in the international consciousness. Here, he samples minestrone, saffron-tinted risotto and panettone, an Italian sweet bread.

Also new this week is Food's "Chopped: Desperately Seeking Sous Chef." Premiering Tuesday, May 31, each episode of the fivepart tournament pits four talented sous chefs in a series of challenges that will test not only their cooking skills but also their leadership, attitude and ability to multitask. The winner, as determined by Maneet Chauhan, Scott Conant and Chris Santos, gets hired as a sous chef by one of the aforementioned judges.

And over on FoodNetwork.com, look for the premiere of "Stoked" on Monday, May 30. Hosted by Minneapolis chef and restaurateur Yia Vang, the digital series is all about open-fire cooking, be it in the open wilderness or right in the backyard. Because who doesn't like food cooked outdoors over an open flame?

"Movie: The Angriest Man in Brooklyn"

Mila Kunis, Peter Dinklage, Melissa Leo and James Earl Jones also star.

"Movie: Tangerine"

From writer/director Sean Baker ("Starlet," "The Florida Project") comes this 2015 crime caper that follows Sin-dee (newcomer Kitana Rodriguez), a hooker who goes on a tear through Los Angeles looking for the boyfriend/pimp who cheated on her while she was in jail. Mya Taylor, Karren Karagulian and Mickey O'Hagan also star.

"The Boys"

Few details were available on the new season of this superhero actioner but if the teaser is any indication, there will be plenty of bodies flying through the air, exploding, dancing and losing stomach contents, among other developments.
