coverstory

Travel Advisors Unlimited forms relationships with its clients

When planning a trip, consulting a good travel agency is indispensable. And that means working with someone willing to go that extra step and establish a relationship with clients.

That's where Travel Advisors Unlimited LLC comes in.

The full-service travel agency is dedicated to providing reliable and practical travel solutions. It offers competitive rates within today's travel market by a professional team of experienced specialists who are well-traveled themselves.

As it says on the agency's website: "At Travel Advisors Unlimited LLC, we expertly handle domestic and international travel services, including customized tours in unique destinations, hotel accommodations, theme park packages, cruises and, of course, those all-inclusive Caribbean stays! Our team of group travel specialists can help you plan all of your multi-generational travel, incentive travel and plan destination weddings!"

The Travel Advisors Unlimited LLC business owner is Sarah Stecker, and she knows what it takes to offer valuable travel services.

"For over a decade, I have been in the travel industry," she said, "working with some of the best of the best in the business.

Taking with me the patience and knowledge while networking and establishing positive relationships with suppliers."

In January 2021, she said, she "hit a brick wall" with the company she was working for. Due to the pandemic, she knew she needed to shake up the way she was marketing and serving her clients. After a lot of research and meetings, she decided to move forward and start her own company. It officially launched on Aug. 1, 2021.

"I am always thinking outside the box," she said. "Marketing is my niche. I felt I was being held back at my last company, so when I started building my business, my agents and I had a ton of meetings to chat about what was going on within the industry at the time and needed to change. It is still a progress of growth, but I found using local small businesses to build and network with is establishing my positive platform."

At the heart of the business is integrity. Stecker said the Travel Advisors Unlimited team would rather create an honest personal relationship with their clients in order to attract repeat business and establish their value than raise customer expectations simply to land a deal with online booking sites.

And keeping up with changes is one way

the business can best serve its clients.

The team is constantly learning new trends in the travel industry, attending webinars, travel events and hands-on training to learn things such as new visa rules, air miles deals, modern travel apps and more.

"We have established our value to our clients by becoming the best of both worlds," Stecker said.

Travel Advisors Unlimited LLC hosts six travel advisors and is growing. Each advisor specializes in a different area of the industry, such as domestic travel, international travel, group travel and corporate travel.

"Our agents and out-of-the-box thinking, in my opinion, is what sets us apart from other agencies," Stecker said. "Yes, you can walk into any travel agency and ask to go on a cruise or trip, but our agents want to get to know you as a client to make sure that

the trip we are helping you create will make memories to last a lifetime."

She said her team commits from the first phone call to establish a relationship with their clients so that they feel comfortable enough to call anytime for any travel-related reason.

"Making an emotional connection with our clients is so important to us, as our guests are making an emotional purchase and trusting us with leading them in the correct direction," Stecker said.

"Movie: Queens of Pain"

Cassie Hay ("The Liberators") and Amy Winston are co-directors of this 2020 documentary that follows three women at different stages of life — Suzy Hotrod, Evilicious, and Captain Smack Sparrow — as they struggle to balance their lives in New York City with the dedication and stamina needed to maintain their place on the world's best roller derby team.

"Movie: I Melt With You"

The past becomes the present for several pals from college — played by Thomas Jane ("Hung"), Rob Lowe, Jeremy Piven and Christian McKay — in this 2011 drama. Cheers: Celebrities in the distilling game

For many, the thought of distilling spirits might call to mind images of moonshiners on the run from government revenuers as they try to bring their illicit products to their customers.

But it's a pastime that's catching on with the public in general and a business that a number of celebrities have put their names and money on, some going as far as to design their own custom vodka, gin or whiskey. For them, it's a passion project.

Sam Heughan is a prime example. Like any good Scotsman, the actor who plays Highland warrior Jamie Fraser on the Starz time-travel drama "Outlander," is big into whiskey and has loved his country's national drink since his days in drama school and later as a young actor living and working away from home in London.

His expression of that love has resulted in the Sassenach, the award-winning blended scotch he designed and introduced in 2020. Its name comes from the nickname Jamie has for wife Claire (Caitriona Balfe) in "Outlander" but its inspiration is how a good glass of scotch makes Heughan feel when he's away from home.

"Whenever I go somewhere else, I'm drinking whiskey," he explains, "and that's what I wanted to do with our whiskey is like wherever you go in the world, wherever you are, pour yourself a glass of the Sassenach and it takes you home."

Similarly, travel is behind Justin Timberlake's love of tequila, which has eventually translated into his own brand, Sauza 901 Silver Tequila. While on a trip to Jalisco, Mexico, he found himself awed by the craftsmanship, culture and tradition of fine tequila and he eventually came up with the idea that he could achieve a greater connection with his fans through the spirit. And thus, a premium tequila was born.

Billy Murray may have been pitching a brand of whiskey in the 2003 film dramedy "Lost in Translation" but in real life his money is actually behind Slovenia Vodka, partnering with Mikhail Baryshnikov and upstate New York chef Peter X. Kelly to perfect a recipe for unique vodka reflective of the purity and passion of this relatively unknown country.

Another spirit that has gotten generally good reviews is Danny DeVito's Premium Limoncello. While other celebs have dabbled in tequilas and vodkas, the star of such films as "Romancing the Stone" and "Erin Brockovich" has put his name on this uber-sweet Italian aperitif and the the imbibing public has drunk it in, one tumbler at a time.

TOM CRUISE IOPGUN

"Boundless"

From Spain and director Simon West ("Lara Croft: Tomb Raider") comes this six-episode adventure saga that tells the story of Juan Sebastián Elcano and Ferdinand Magellan's epic voyage around the world after they set sail from Spain 500 years ago. Rodrigo Santoro ("Reprisal") and Álvaro Morte ("The Wheel of Time") star as Elcano and Magellan.

"Movie: Top Gun"

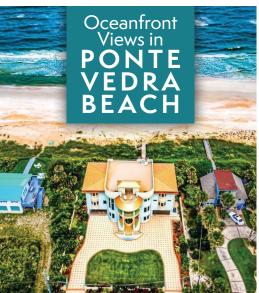

With "Top Gun: Maverick" doing brisk business in global theaters, the streaming service comes forth with the blockbuster 1986 drama that made Tom Cruise a megastar. The actor takes to the skies as a young pilot who competes in the air and on the ground with his classmates at an elite naval aviation training school. He also develops a relationship with an instructor (Kelly McGillis).

"Movie: No Time to Die"

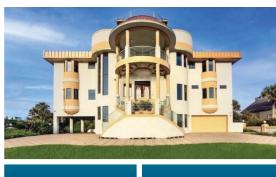

This 2021 spy actioner, the 25th in the James Bond saga, finds Agent 007 (played for the fifth and final time by Daniel Craig) retired to Jamaica, only to be recruited to rescue a kidnapped scientist. He soon finds himself hot on the trail of a mysterious villain, who's armed with a dangerous new technology. Rami Malek, Léa Seydoux and Lashana Lynch also star.

"Movie: The Wolf of Wall Street"

Leonardo DiCaprio and director Martin Scorsese earned much praise — and a rebuke from the daughter of one of the real-life subject's victims — for this colorfully edgy portrait of Jordan Belfort, a financial wizard who satisfied his many vices to excess while convincing others to put their monetary faith in him. Jonah Hill plays Belfort's partner in scheming. Margot Robbie also stars.

"Ultra Violet & Black Scorpion" (Available now)

The world of Lucha Libre, a freeform wrestling style from Mexico, provides the backdrop for this action-fantasy starring Scarlett Estevez as Violet, a Mexican-American teenager whose life is turned upside-down when a magical luchador mask transforms her into Ultra Violet, a crime-fighting superhero. Fortunately, her uncle (J.R. Villarreal) already is a superhero called Black Scorpion and can train her in using her new powers.

"The Wonder Years: Season 1" (Available now)

Dulé Hill and Saycon Sengbloh (Broadway's "Eclipsed") play Dean's parents; Don Cheadle narrates the show as the voice of adult Dean.

"America the Beautiful" (**Iulv 4**)
